

Government of the People's Republic of Bangladesh
Directorate General of Drug Administration
Aushadh Bhaban, Mohakhali, Dhaka-1212, Bangladesh
(www.dgda.gov.bd)

Notice

Memo No.: DGDA/CTP-04/2016/ 71

Date: 19 / 08 / 2020

Subject: Notice for Investigators, Sponsors, CRO personnel and related stakeholders.

This is to inform you that please submit all the required documents and observations of DGDA timely to maintain the timeline of clinical trial protocol approval and CRO approval during COVID-19 pandemic situation.

We try to approve clinical trial protocol within 45 days and Fast track Clinical trial protocol within 15 days, if there are no deficiency of documents and no observations from Clinical Trial Advisory Committee. Our office is open for emergency services from Sunday to Thursday (9:00 am to 5:00 pm). But we will follow the order of Ministry of Health and Family Welfare time to time during the COVID-19 pandemic situation.

You can find all the requirements in DGDA website. Link:

<https://www.dgda.gov.bd/index.php/information-center/good-clinical-practice-gcp>.

Please contact with Clinical Trial Monitoring Officer if you face any problem:

Ms. Humaira Afroz
Superintendent of Drugs
Directorate General of Drug Administration.
